

National / AZON Named International Distributor of the Year

January 14, 2020

Congratulations to National / AZON, which was recently awarded the International Distributor of the Year Award by Global Scanning/ Contex.

"This acclamation is due in part to the upgrades that AZON committed to in 2019 including sales personnel, increased inventory, the launch of our Zero Turn Productivity center and the Contex support we offer the market," says Rich Gigl, National / AZON senior vice president. "But the biggest factor has to be credited to the release of the Contex Ultra X series scanning system. The Ultra X scanning platform has proven once again, that Contex is far ahead of their competition in technology, speed, image quality and workflow. In addition, the implementation of the direct connectivity to the HP Page Wide series has proven to be a very significant factor in the decision-making process of our user base."

Steve Blanken, general manager - the Americas for Contex, added: "National Azon wins the prestigious Distributor of the Year award from Global Scanning Americas MD Inc for being the number one distributor worldwide for the Contex branded scanners. Thank you National Azon on a job well done!"

Dear friends at National Azon:

Congratulations on your achievement for 2019 by winning our worldwide:

Contex Distributor of the year 2019 award!

I would like to take this opportunity to thank every single one of you - for your efforts focus and everyday dedication, which made this happen.

2019 was a great year for Contex and the run-up field for the Award has been intense. However, in the end you just shined above the other stars!

Great job, keep it up for 2020.

With my best personal regards,

Jacob Bendix
Chief Commercial Officer
