MFP Repro

NEW AND IMPROVED FULL-FEATURED MFP SOLUTIONS

TURN PRINTERS INTO COPIERS, WITH GREAT PERFORMANCE AND VERSATILITY

FADGI compliance. MFP Repro exceeds FADGI 3-star compliance and is a must have for every high-production environment.

Now even faster with the new and perfected IQ Quattro X solution
Turn any new or existing printer into a copier, giving the small footprint you need without compromising on performance and versatility.

MFP Repro is a full-featured solution for scanning, copying, sharing and enhancing. You get outstanding image quality, with real-time view of enhancements and automatic cleanup of faded, dirty, or poorly shaded documents. Built-in workgroup collaboration capabilities mean anyone can scan to email, scan to folder, and share the scanner with others.

Contex MFP Repro solutions fit into any environment. MFP Repro lets you copy, print and scan like a professional whether you are at the office or you're running your own copy shop.

A Contex MFP Repro bundle includes a scanner, intuitive Nextimage Repro software for scanning and copying, a 22 inch touchscreen and a high stand. Also available with low stand for side-by-side solutions with tall printers.

Powered by X-Rite®
The ICC Color Management in Nextimage 6 software is made with X-Rite® color profiling.

High performance
The new IQ Quattro X gives you twice the speed and raises the bar for your productivity.

Touchscreen
For your convenience, the MFP solution offers the choice of operating the touchscreen from the left or right side.

Supports popular file formats
You can work with all of the most used file formats like PDF, PDF/A, TIFF and JPG.

Send scan to printers via network or USB
Nextimage Repro includes free drivers for most HP, Canon, Océ, and Epson large format printers.

THE MOST POWERFUL MFP SOLUTIONS

Contex®
WHEN IMAGING MATTERS
