

24" 36"

COMPACT, FLEXIBLE, FULL COLOR, E/AO SCANNING

# FULLY FEATURED, CONVENIENCE LARGE FORMAT SCANNER

#### More than just great value

SD One+ packs a huge amount of value into its lightweight 24" or 36" size. Easy to use, with fully featured software, plus a control panel directly on the scanner.

#### Save time and money

This is a must have office scanner at a very attractive price. Scan your oversized maps, engineering and construction drawings in-house with SD One+ to save space, time and money.

#### Copy, share and collaborate

With unmatched ease of use and the highest possible accuracy, you can trust SD One+ on even the most complex projects.

#### Capture all your document types

Scan and document all your architectural, engineering and construction plans in standard file formats directly into your project folders.

#### Scan-to-email

Send your scan directly to your email or a USB flash drive.

#### **Full color**

SD One+ supports full color scanning.

#### All popular file formats

Supports all popular scan file formats

– like PDF, TIFF and JPEG.

#### Energy Star 3.0 certified

Like all other Contex large format scanners, SD One+ is Energy Star 3.0 certified.

### Need to move the scanner about?

Don't worry, SD One+ is light enough for one person to carry.
